

RICH MICHAELS INVESTMENTS DISCRETIONARY ADVISORY AGREEMENT

This Discretionary Advisory Agreement (“Agreement”) is by and between Rich Michaels Investments (“Rich Michaels Investments” or “Adviser”), a registered investment adviser, and you (“Client”) and relates to all accounts managed on a discretionary basis for the Client (“Account”). This Agreement shall become effective on the day and year first written at the time of execution.

Terms and Conditions

This Agreement sets forth the terms and conditions of the investment management services, outlines the responsibilities of the parties and defines the relationship of Rich Michaels Investments and the Client.

- The Client hereby appoints the Adviser as an investment adviser to perform the services described, and the Adviser accepts such appointment. The Adviser shall be responsible for discretionary investment and reinvestment of those Client Assets (“Assets”), designated by the Client, to be subject to the Adviser’s management of the Client’s Account (“Account”).
- The Client hereby agrees to authorize the custodian to pay directly to Rich Michaels Investments, upon receipt of notice, the account’s investment advisory services fee.
- The Adviser is authorized, without prior consultation with the Client, to buy, sell, and trade in stocks, bonds, mutual funds, and other securities and/or contracts relating to the same.

Services of Adviser

The Adviser will provide the following services to the Client:

- An initial interview is conducted with the Client (either in person, by telephone conference, and/or via a questionnaire) to determine the Client’s financial circumstances, goals, acceptable levels of risk and other relevant circumstances.
- Management of the Account(s) on the basis of the Client’s financial circumstances, investment objectives, and investment model selection.
- Monitor the Client’s circumstances through Account reviews. These reviews will be conducted in person, by telephone conference, and/or via a written inquiry/questionnaire.
- Be reasonably available to consult with the Client relative to the status of the Account.

The Client’s beneficial interest in a security does not represent an undivided interest in all the securities held by the Custodian, but rather represents a direct and beneficial interest in the securities which comprise the Client’s Account.

Custodian

The Assets shall be held by an independent Custodian (“Custodian”), not the Adviser, the identity of which Custodian shall be communicated to the Client. The Adviser is authorized to give instructions to the Custodian with respect to all investment decisions regarding the Account. The Custodian is authorized and directed to effect transactions, deliver securities, make payments and otherwise take such actions, in respect of the Assets, as the Adviser shall direct. The custodial fees charged to the Client are exclusive of, and in addition to, Advisory fees as defined in the Fee Section of this Agreement.

Client Rights and Obligations

Each Client retains sole ownership of the Account (i.e. the right to withdraw securities or cash, exercise or delegate proxy voting and receive transactions confirmations). The Client may make deposits and withdrawals at any time, subject to any maintenance requirements of the Account minimum.

Legal Capacity

If this Agreement is established by the undersigned Client, or the Client's authorized representative in a fiduciary capacity, the Client hereby certifies that he/she is legally empowered to enter into or perform this Agreement in such a capacity. If this Agreement is established by a corporation, the undersigned certifies that the Agreement has been duly authorized, executed and delivered on behalf of such corporation and that the Agreement is a validly certified copy of a resolution of the Board of Directors of the corporation to that effect and authorizing the appropriate officers of the corporation to act on its behalf in connection with this Agreement.

Investment Objectives and Restrictions

The Client agrees to provide information and/or documentation requested by the Adviser, as pertains to the Client's income, investments, taxes, insurance, estate plan, etc. The Client also agrees to discuss investment objectives, needs and goals with the Adviser. The Client acknowledges that the Adviser will rely on the personal and investment information provided to the Adviser by the Client, the Client's attorney, accountant or other professionals in managing the Account. The Client agrees to give the Adviser prompt written notice of any modifications, changes or investment restrictions applicable to the Account, and to notify the Adviser if the Client deems any investments recommended or made for the Account to be in violation of such investment objectives or restrictions. Unless the Client promptly notifies the Adviser in writing of specific investment restrictions on the Account, the investments recommended for or made on behalf of the Account shall be deemed to be in conformity with the Client's investment objectives. Although tax considerations are not generally a factor in managing accounts, it is the Client's responsibility to notify Adviser if such considerations are relevant to the Client's overall financial circumstances.

The Client acknowledges that the Adviser cannot adequately perform its services for the Client unless the Client diligently performs his/her responsibilities under this Agreement. The Adviser shall not be required to verify any information obtained from the Client, the Client's attorney, accountant or other professionals, and is expressly authorized to rely upon the information provided by these professionals.

The Client shall have the ability to impose reasonable restrictions on the management of the Account, including the ability to instruct the Adviser not to purchase certain mutual funds, stocks or other securities.

Representation

It is understood by the Client that the Adviser is a Michigan LLC and that the Adviser is licensed/registered with all of the appropriate regulatory jurisdictions that the Adviser believes it has a duty to be licensed/registered. It is understood and acknowledged by the Client that the Adviser is not engaged in the practice of law or accounting, and as such, will not render any legal or accounting advice hereunder, nor prepare any legal or accounting documents for the implementation of any of the Client's financial or investment plans.

Non-Exclusive Management

It is understood that the Adviser performs investment advisory services for other clients. The Client agrees that the Adviser may give advice and take action with respect to any of its other clients, which may differ from the advice given or the timing or nature of action taken with respect to the Client's Account, so long as it is the Adviser's policy to the extent practical, to allocate investment opportunities to the Account over a period of time on a fair and equitable basis relative to other clients. The Adviser, its officers, employees, and agents, may have

or take the same or similar positions in specific investments for their own accounts, or for the accounts of other clients, as the Adviser does for the Client's Account.

Fees

Rich Michaels Investments does not impose a minimum account balance for the opening of an account with the Adviser. The fee charged is based upon the amount of money invested. Multiple accounts of immediately-related family members, at the same mailing address, may be considered one consolidated account for billing purposes. Assets under Management (AUM) fees are charged monthly or quarterly, in arrears. Payments are due and will be assessed on the last day of each month or quarter, based on the ending balance of the account(s) under management. The Adviser will not pro rate for deposits and withdrawals in the account during the billing period. Fees will be calculated as follows:

Portfolio Value

	From	To	Annual Advisor Fee
First	\$0	- \$250,000	1.25%
Next	\$250,001	- \$500,000	1.25%
Next	\$500,001	- \$1,000,000	1.25%
Next	\$1,000,001	- \$2,000,000	1.00%
Next	\$2,000,001	- \$5,000,000	0.85%
Next	\$5,000,001	- \$10,000,000	0.75%
Next	\$10,000,001	and over	0.65%

The fees shown above are annual fees and may be negotiable based upon certain circumstances. No increase in the annual fee shall be effective without prior written notification. Rich Michaels Investments believes the advisory fee is reasonable considering the fees charged by other investment advisers offering similar services/programs.

You may also pay additional advisory fees to a third-party money manager depending upon which manager you select. Our fees will not be based upon a share of capital gains or capital appreciation of the funds or any portion of your funds.

In addition to the Adviser's annual investment management fee, the Client shall also incur, relative to all mutual fund purchases which includes charges imposed at the mutual fund level (i.e. advisory fees and other fund expenses, if applicable), transaction and administrative fees. The Client acknowledges that trading costs will be assessed to the Client according to the agreements made with the Custodian(s) and other third parties as applicable.

The Client acknowledges and agrees that the Adviser may charge for certain additional Assets managed for the Client by the Adviser, but not held by the Custodian (i.e. variable annuities, mutual funds, 401(k), and variable

life). See **Appendix B** below for a list of all accounts held outside of the Adviser's custodian for which advisory fees will be charged.

No portion of the Adviser compensation shall be based on capital gains or capital appreciation of the Assets. Rich Michaels Investments does not charge performance-based fees.

The Client can terminate the relationship without penalty within the first five (5) days after the signing of this Agreement. After the initial five (5) days, this Agreement will continue in effect until terminated by either party with a thirty (30) day written notice to the other, in person or by mail to the address of record.

Automatic Payment of Fee

The Client agrees to authorize the Custodian to pay directly to Rich Michaels Investments upon receipt of notice, the Account's investment advisory services fee. Fee withdrawals will occur no more frequently than monthly or quarterly from the Client's Account, unless specifically instructed otherwise by the Client.

The Custodian will send to the Client a statement, at least monthly or quarterly, indicating all amounts disbursed from the Account, including the fee paid directly to Rich Michaels Investments. Rich Michaels Investments' access to the Assets of the Account will be limited to trading and the withdrawals authorized above. Additionally, Rich Michaels Investments will send to the Client an invoice reflecting the amount of the fee, the monthly or quarter ending balance for the Client's Account on which the fee was based, and the specific manner in which the fee was calculated.

Valuation

The Custodian will value the securities in the Client Account that are listed on a national securities exchange or on NASDAQ at the closing price, on the valuation date, or on the principal market where the securities are traded. The Custodian will value other securities or investments in the Client Account in a manner that the Custodian believes in good faith reflect their fair market value.

Confidential Relationship

All information and advice furnished by either party to the other, including their respective agents and employees, shall be treated as confidential and shall not be disclosed to third parties, except as required by law or necessary to carry out designated powers or as granted by the Client.

Notices and Communication

Communications will be sent to the Client at the address provided by the Client at the time the Client opens the Account, or to another address as may be provided to the Adviser in writing in the future. All communications sent to the Client at the stipulated address, whether by mail, facsimile, electronically, or otherwise, will be treated as if they were given to the Client personally, whether or not the Client receives them. Reports of order executions will be conclusive if not objected to by the Client within three (3) days after being forwarded to the Client, and statements of Account will be conclusive if not objected to by the Client within ten (10) days after being forwarded to the Client.

Termination

This Agreement will continue in effect until terminated by either party with a thirty (30) day written notice to the other, in person or by mail to the address of record. In the event the Agreement is terminated, and the Client has advanced any fees which have been unearned as of the date of termination, such unearned fees shall be immediately refunded to the Client. Any fees that are due, but have not been paid, will be billed to the Client and are due immediately.

Termination of this Agreement will not affect (i) the validity of any action previously taken by the Adviser under this Agreement; (ii) liabilities or obligations of the parties from transactions initiated before termination of this Agreement; or (iii) the Client's obligation to pay advisory fees (pro-rated through the date of termination).

Upon the termination of this Agreement, the Adviser will have no obligation to recommend or take any action with regard to the securities, cash or other investments in the Account. The Adviser will provide the Client with a pro-rata refund of the Client's prepaid advisory fees to the extent that one is due.

Upon the death or incapacity of the Client Rich Michaels Investments shall contact the Trusted Contact Person listed in Appendix B below. In the event that no trusted contact person is named, the Client's death or incapacity will not terminate the authority of the Adviser granted herein until the Adviser receives written termination notice from the Client's executor, guardian, attorney-in-fact or other authorized representative.

Insurance Agents

The Client acknowledges that the investment adviser representatives of Rich Michaels Investments may also be licensed insurance agents. Through the distribution of fixed life insurance, normal and customary sales commissions and other income may be paid to Rich Michaels Investments and its advisors. This income is in addition to any management fees the Client may have paid to us.

Proxies and Class Action Lawsuits

The Adviser will not vote proxies on behalf of the Client's Account. Additionally, the Adviser will not be required to take any action or render any advice with respect to voting of proxies solicited by or with respect to the issuers of securities in which Assets be invested from time to time. Further, the Adviser will not take any action or render any advice with respect to any securities held in the Account, which are named in or subject to class action lawsuits. The Adviser will, however, forward to the Client any information received by the Adviser regarding class action legal matters involving any security held in the Account.

Risk Acknowledgement

The Adviser does not guarantee the future performance of the Account or any specific level of performance, the success of any investment decision or strategy that the Adviser may use, or the success of Adviser's overall management of the Account. The Client understands that investment decisions made for the Client's Account by the Adviser are subject to various forces beyond the reasonable control of the Adviser. The Adviser shall not be held liable for any decrease in value of the Client's investments stemming from forces beyond the reasonable control of the Adviser or for events which are not reasonably foreseeable to the Adviser which include, but are not limited to, market conditions, currency risks, economic risks, political risks, geopolitical actions, acts of God, acts of terrorism, and business risks. The Client acknowledges that Investment decisions made by the Adviser will not always be profitable. THE CLIENT ACKNOWLEDGES THAT THEIR INVESTMENTS WILL INCREASE OR DECREASE IN VALUE, DEPENDING ON THE MARKET AND/OR OTHER CONDITIONS BEYOND THE REASONABLE CONTROL OF THE ADVISER. All recommendations will be based on information from sources believed to be reliable but are not guaranteed by Rich Michaels Investments as to their accuracy or completeness.
